Describe "Other": _____

Client initials: [redacted] I certify that Dog is in good health and has not been ill with any communicable diseases within the past 30 days. I certify that my dog has not been exposed to Rabies, Distemper, Hepatitis, Leptospirosis, Parainfluenza, Parvovirus, Bordetella (Kennel Cough) Papilloma's or Conjunctivitis within a 30-day period prior to boarding.

[redacted] ["Owner"] hereby retains EllaGant Acres, Inc. ["Trainer"] to train [redacted] [the "Dog(s)"] under the following terms and conditions:

Training

The Trainer will work with your dog a minimum of two (2) sessions per training day. Owner understands that during the 7 day training period the Trainer may have days off work. The total amount of training time will always be such that Trainer keeps dog on track to achieving goals. EllaGant Acres, Inc. offers other enrichment activities, such as individual Play Times, which you can select if you feel that your dog may need additional activity on non-training days.

Owner understands and agrees that the length of training required, and what can be accomplished, depends in part on the Dog's prior experience and capacity to learn. Owner also understands and agrees that basic training generally requires 20 days, but may take longer in some cases.

Especially, owner understands that in most cases, 20 days of training is not adequate. Owner will be required to do follow up training to reach that goal.

The skills worked on in the Board & Train will be: Sit on verbal and signal, Down on verbal and signal, Sit-Stay, Down-Stay, Come when called and Leave It. Once basic skills are in place Trainer will work to incorporate these skills into real-life scenarios, such as: Sit-stay as a door is opened; Leave It while passing another dog.

Trainer may take Dog to locations other than the Animal Keeper/Pet Suites facility as appropriate to achieve training goals.

Evaluation

The Trainer will give periodic progress reports to the owner, and at the Transfer Session scheduled for the Dog's go-home day, will review with the owner training to be implemented at home to maintain training goals.

If Dog has not met some goals, Trainer will also review whether these goals can be met with additional training (additional cost may be required) or with follow up at home.

Maintenance

The Owner understands that the training will result in the Dog responding to the Trainer, and that the Dog may not initially respond as reliably to the Owner. To ensure Dog's response to Owner, Owner agrees:

- To understand and apply the basic principles of training as described and demonstrated in the Transfer Session, and in the Training Handbook sent home
- To use the cues (commands) supplied by Trainer
- To practice with the Dog daily (10 minutes a day, 6 days a week)
- To integrate training into daily life (as described by Trainer and Training Handbook) so as to support behavior goals (not inadvertently punishing the good behavior and rewarding the bad.)
- To follow training and management advice as given by Trainer

Liability Waiver & Policies

1. EllaGant Acres, Inc. will endeavor to create as safe an environment as possible for the training and board of my dog and will offer only sound, safe, and responsible training and training instructions. However, I recognize that EllaGant Acres, Inc. is not responsible for any unintentional errors, omissions, or incorrect assertions. I understand that the recommendation of any product or service is not a guarantee of my satisfaction with that product or service. Further, I am and will remain responsible for the actions of my dog at all times and I hereby agree to indemnify and hold harmless EllaGant Acres, Inc. of any and all claims of injury, expense, costs, or damages caused by the actions of my dog while under EllaGant Acres, Inc. instruction or control and under my own care as a result of following training instructions. I have been told by EllaGant Acres, Inc. and understand the inherent risks of owning a dog, including but not limited to the risk of dog bites to myself or others.

2. I authorize Emergency medical care to be provided for my dog by Owenton Animal Clinic, Central Kentucky Animal clinic or an appropriate alternate to be determined by EllaGant Acres, Inc. in the event that the regular veterinarian is not available or that closer care is required. I understand I am responsible for any and all veterinary costs and agree to reimburse EllaGant Acres, Inc. for any charges related to emergency care.

3. I authorize EllaGant Acres, Inc. to administer and seek First Aid and resuscitative care for my dog as determined appropriate by EllaGant Acres, Inc. and I agree to indemnify and hold harmless EllaGant Acres, Inc. for any and all results thereof.

4. I understand that all dogs will be boarded at owner's home address of 1245 Eden Shale Road, Owenton, Kentucky 40359. Owner gives the EllaGant Acres, it's owners, operators, and/or staff permission to transport dog/dogs to and from the EllaGant Acres location for boarding purposes. They further understand the inherent risks associated with transportation such as, but not limited to, loss or injury due to accident; owner agrees to assume all risks and financial costs associated with said transportation.

5. I understand that my dogs will be trained using positive reinforcement methods. I also understand that although my dogs will learn multiple behaviors, basic obedience, new routines, and management while in the care of the EllaGant Acres, it is my responsibility to maintain this learning upon their return to the home environment. Dogs do not generalize well. This means that behavior taught while in our care will only be solidified through clear, calm and consistent repetition once home. EllaGant Acres recommends owners commitment to continued education through group classes and private instruction to proof and generalize training.

6. Animal behavior is never fixed or static; it changes depending on circumstance and environment. Even trained behaviors will fade or extinguish over time without consistent repetition and practice. Especially in cases of fear or aggression, although behavior may be modified, the dog is never "cured". A dog's behavior is ultimately the responsibility of the owner.
