

## Health Guarantee and Puppy Purchase Agreement

ElaGant Acres guarantees that your puppy is of sound health at the time of sale. The puppy has a 5 day guarantee from any life threatening diseases (excluding ear infections and parasites or coccidia, which is common in puppies.) The purchaser must take the puppy to a licensed veterinarian within the first 48 hours. This is to be done within the first 48 hours in order for the purchaser to receive a replacement puppy of equal value or a refund (minus deposit). ElaGant Acres reserves the right to have the puppy examined by a licensed Veterinarian of their choice to have the life threatening diagnosis verified, **before refunding purchase price**. The purchaser must provide ElaGant Acres with a written statement from a veterinarian that declares the puppy unhealthy, stating exactly the condition of the puppy. Puppies must be returned immediately. ElaGant Acres is not responsible for any veterinary bills incurred under any circumstances.

ElaGant Acres puppies are sold **without breeding rights** unless other conditions have been made.

**Deposits are non-refundable.** Be sure you are serious about purchasing a new family member before sending a deposit. If ElaGant Acres is unable to deliver the puppy for any reason, a full refund will be issued. ElaGant Acres does not hold puppies without a deposit. ElaGant Acres accepts checks for the deposits, however, final payments must be made by money order, wire transfer (paypal) or cash. We do not accept checks as final payment unless they are cleared before the puppy is to leave.

The purchaser agrees to maintain the puppy in a humane environment with ample shelter, a healthy diet, fresh water, exercise, appropriate veterinary care, human interaction and training. ElaGant Acres does not guarantee that any puppy is housebroken. The purchaser also agrees to maintain immunization against rabies, distemper, parvovirus, and other communicable diseases as recommended by a

qualified veterinarian. **If for any reason the purchaser is not able to keep his/her puppy, ElaGant Acres should be notified. ElaGant Acres will always take back any puppy at any time, no questions asked.**

German Shepherds are intelligent animals that require stimulation, attention and consistent training and socialization opportunities. ElaGant Acres strongly encourages the purchaser to enroll the puppy in basic obedience classes and provide appropriate opportunities for socialization with children, other dogs, and strangers.

Puppies are generally ready around 8 weeks of age. Some puppies take a little longer and we never let a puppy go until we feel they are ready. Perspective buyers must be willing to wait until the puppy is ready to go home.

You agree to all terms and conditions in this agreement and acknowledge that you have read and agree if you purchase a puppy from us.
